**Do not be confused by the directions that include the word "Carlisle." There are several roads that include Carlisle in their name: Carlisle Street in Gettysburg, Carlisle Road (PA Route 34), Old Carlisle Road in Aspers, and Carlisle Pike (PA Route 94). If you follow these directions, you should be able to tell them apart without getting lost.*

Please respect the privacy of farmers and the value of their land as they toil tirelessly to grow these acres and acres of fruit trees. Do not drive or walk onto orchards or pick from trees. Farming is way of life here, with many generations of families depending on these crops to grow and prosper. If you are pulling over to take photos, be sure that you always do so with safety and consideration in mind.
