

A Season of Cheer & Hope!
UGLY MASK CHALLENGE

Ugly holiday sweaters are so 2010's! Destination Gettysburg invites you to get with the times and join us for a **2020 UGLY MASK CHALLENGE**—a socially distanced update on a modern classic tradition. Whether you're an old hand at crafts or an eager beginner, show us just how, um, "festive" you can make your personal holiday facemask. 'Yule' gain a lasting appreciation for glitter, glue gun burns and red felt. Make sure to wear your mask while shopping and wassailing! (but please don't share it with anyone.)

Go get crafty! **#UghMask2020**
