

## Gettysburg Promotional Video and Usage Guidelines

Thank you for your interest in using these Gettysburg promotional videos. We're happy to make this footage available to support editorial and media coverage.

### What's Included

- Four (4) promotional videos (approximately 2 minutes each)
- Versions **with audio** and **without audio**, to accommodate different use cases

### Permitted Use

You are welcome to:

- Use the videos **in full** or **select clips** as b-roll
- Use the footage for **editorial, broadcast, digital, or social media coverage**
- Use either the **audio version** or the **no-audio version**, depending on your needs
- Edit for **length only** (trimming clips for timing or sequencing)

### Usage Guidelines

To ensure brand consistency and visual integrity, we kindly ask that you:

- **Do not alter the footage** (e.g., color grading, filters, speed changes, or visual effects)
- **Do not add text, graphics, logos, or animations** over the video
- **Do not modify or replace the original audio** when using versions that include sound

### Credit (When Possible)

When appropriate, please credit:

**Courtesy of Destination Gettysburg**

### Questions or Special Requests

If you have a specific use case that falls outside these guidelines, or need a custom cut, format, or additional assets, please feel free to reach out—we're happy to help.
