BEVERAGE STYLE

To put it simply, Jack's Hard Cider uses good fruit to get a good product. Their wine production facility and cider press produce wine and flagship and premium ciders on site, with additional seasonal flavors added throughout the year. Their fresh crisp cider is made from local PA apples, never from concentrate, and with no added sugar. Jack's wine and ciders range from sweet to dry. Be sure to try their award winning Dry Hopped Jack's Hard Cider on your next visit, receiver of the US Cider Championship Open award in 2017.

LOCATION EXPERIENCE

The renovation of Jack's Hard Cider's new 40,000 square foot space was opened in 2020. This renovated movie theater houses the production of Jack's Hard Cider, a restaurant and tasting area. Their primary mission is the provide a gathering space to enjoy amazing food paired with Jack's Hard Cider, Atomic Dog Wines and PA produced libations.

FLAVORFUL FACT

Jack's Hard Cider can be found for sale at bars and restaurants all across the East Coast.
