[www.jackshardcider.com](http://www.jackshardcider.com)

## BEVERAGES OFFERED

Red wine, white wine, sweet wines and ciders, semi-sweet wines and ciders, semi-dry wines and ciders, dry wines and ciders

## BEVERAGE MAKER

Joe Cuneo-Tomasi and Jess Landis

## BEVERAGE STYLE

To put it simply, Jack's Hard Cider uses good fruit to get a good product. Their wine production facility and cider press produce wine and flagship and premium ciders on site, with additional seasonal flavors added throughout the year. Their fresh crisp cider is made from local PA apples, never from concentrate, and with no added sugar. Jack's wine and ciders range from sweet to dry. Be sure to try their award winning Dry Hopped Jack's Hard Cider on your next visit, receiver of the US Cider Championship Open award in 2017.

## LOCATION EXPERIENCE

Visit their new pop up Tap Room located at Suite 420 at The Outlet Shoppes at Gettysburg. The laid-back atmosphere at the Tap Room is perfect for a couple's night out, an intimate gathering among friends or a casual drink after a long afternoon of shopping. Wine and cider tastings are held daily and special events feature live music. Local beers are also available on tap. The renovation of Jack's Hard Cider's new 40,000 square foot space is set to be complete March 2020. It will house the production of Jack's Hard Cider, a restaurant and tasting area.

## FLAVORFUL FACT

Jack's Hard Cider can be found for sale at bars and restaurants all across the East Coast.
