BEVERAGE STYLE

Mount Hope began as a winery, using the best juices to blend and produce award-winning wines tailored to all tastes from sweet to dry. Since then, they've expanded their product line to also include mead, cider, beer and spirits. Their production facility boasts a capacity of 40,000 gallons of wine and 40,000 gallons of cider. Lancaster County Cider springs from the talents of both of Mount Hope's master beverage crafters who work to produce flavorful hard apple cider without waters or fillers. Swashbuckler Brewing Company is headed by Brett Kintzer, with over 20 years of experience in craft brewing. All beers are produced grain to glass in the brewery's 15,000 barrels. And at Spirits Distilling Company, a line of standard varieties is produced along with the popular spirits distilled from other estate beverages, capturing the essence of the original product in its new form.

Mount Hope has perfected the craft of beverage making, as proven by the lengthy list of awards their beverages of won. Some gold medal winners include their Niagara and Peach wines and their Oktoberfest and Hefeweizen brews at the PA Farm Show. Their Fusion wine, Honey Mead, Sangria, Peach Vanilla cider, Pumpkin cider and Sweet cider have won multiple awards at PA Farm Show in the past several years.

Bring home a bottle of your favorite or enjoy a drink on-site. There's something for everyone at Mount Hope Winery at Gettysburg!

FLAVORFUL FACT

Mount Hope Winery recognizes that specific common, unwavering traits sustained both the Union and Confederacy armies throughout the awe-inspiring battles. They are proud to pay tribute to those individuals who carried these qualities onto the hallowed grounds of Gettysburg with their Pennsylvania Native Wines, specially labeled as the Battlefield Series: Courage, Honor, Valor and Duty.
