BEVERAGE STYLE

Tattered Flag Brewery & Still Works, based in Middletown, Pa., produces a large variety of craft brews as well as spirits. Six rotating beers are always on tap at their Gettysburg Tap Room ranging from IPAs, Kölsch, stouts, wheats, ales and flagships. In addition to their great beer selection, they produce several spirits including whiskeys, tequila, rum, gin, vodka, Scotch, moonshine, triple sec liqueur and canned cocktails. Stop by for a pint, beer flight, spirit flight or premium cocktail – whatever satisfies your palate. You can even get beer and spirits to go! Everything produced by Tattered Flag is non-filtered, giving it the unique taste of their brand. They use all fresh products to give the very best quality.

An accomplished brewery, Tattered Flag's beer medaled at the Little Big Beer Fest three years in a row, including a first place in 2017. Their gin is an American Distilling Institute medal winner. Their vodka took silver from the 50 Domestic Vodkas awards, and their Blue Agave and Citrus Gin are also medal-winning beverages.

LOCATION EXPERIENCE

Tattered Flag Tap Room – Gettysburg offers a cozy setting right in the historic town of Gettysburg. Conveniently located on Steinwehr Avenue, it's the perfect place to stop for a refreshing cocktail or brew amidst your shopping and historic explorations in Gettysburg. Enjoy a drink on-site or grab one to-go. The patriotism of Tattered Flag bleeds from every corner. This is their mantra, "A tattered flag is not just a worn piece of cloth... it has experience and character. Threadbare and frayed, it still represents the ideals and beliefs of those who stand behind it constantly seeking excellence, success and the achievement of those goals with honor. At Tattered Flag, we live by this."

FLAVORFUL FACT

Tattered Flag Tap Room is a veteran-owned and operated business. CEO, Pat Devlin, is a former Navy Seal with Seal Team 10. His background inspired him to give back to veterans by running a "Buy a Vet a Beer" program. If you're a veteran, you can walk in, and the first pour is on the house. Any customer or veteran can pay \$5 to pay it forward to the program. Tattered Flag wants veterans to have a brewery they can go to and feel at home. They also support other veteran owned and operated businesses in the area.
